

COVID-19 Policy

True Colours Performing Arts have reviewed all of the Government, Hanslope & Old Stratford Village Hall policies and will continue to monitor changing situations.

Please ensure you have read & understood this policy.

We will continue to ammend this as guildlines change and it is the responsibility of the parent/guardian to explain these fully to their child before they attend.

It is also their responsibilty to regulary check on our website www.truecoloursperformingarts.co.uk so that they are aware of the latest guidance.

True Colours Performing Arts will post on social media and/or send emails when policies are updated.

You will be asked via Class4Kids to confirm that you have read and understood these policies.

- As of step 4 classes will have no capacity limits , no face coverings for children, staff and visitors and no “bubbles”
- Students will be encouraged to communicate with us if they are feeling uncomfortable now that social distancing is relaxed – they will always have the option of moving away from others if they wish
- There will be a one way system in place and hand sanitising stations which MUST be used on entry and exit of the hall.
- We encourage the use of our QR codes at both venues
- ENTRY is from the MAIN DOOR at the front, (Hanslope) EXIT is from the BACK DOOR by the extra carpark
- NO Parents will be allowed inside the hall to keep risks lower
- There will be 2 teachers in the room so that exit and entry doors are safeguarded as they are to remain open
- The Kitchen will remain for staff use only and pupils will only be allowed to use the ladies toilet (Hanslope) /disabled (Old Stratford) on a 1 in 1 out basis.
- ALL pupils will need to bring a NAMED WATER BOTTLE & SMALL named bag to put next to their space which they will be able to put an outer layer in such as a Dance crossover or branded school hoodie if they are hot/cold.

- The main doors will be left open for ventilation and air circulation, we anticipate that it will be cold at times so advise crossovers are worn. Boys may wear layers of tighter fitting tops.
- Students MUST arrive in uniform with hair up in buns/plaits and will only be permitted to change their shoes once in their space. Masks are not recommended to be worn during exercise (WHO) so will not be required within our lessons.
- The Hall, equipment, & flooring are cleaned at the end of the day.
- Teachers will be allowed to physically correct students and spot in Acro for safety and technique.
- You MUST NOT come to class if anyone in your household is showing symptoms / you have been in contact with someone showing symptoms or tested positive.
- If a child becomes unwell the parent MUST tell True Colours as a matter of urgency.
- Should anyone (Student/staff/member of a household) test Positive we will provide information to track and trace and inform all close contacts. We will follow our outbreak management plans.
- If your child shows symptoms while in class they will be isolated in the designated room which is the MENS TOILETS and you will be called to collect them immediately. If this happens we are required to wear PPE near your child (apron/gloves/mask)
- If teachers are poorly and cannot teach we will do everything we can to provide a cover teacher. If we cannot then that lesson will be refunded. If a student is off, regrettably we cannot refund for missed classes.
- True Colours will continue to do everything we can to continue to keep risks down within the Government guidelines and we ask you to do the same so that we can continue to enjoy our classes safely.
- We are continuing this for now - As parents can no longer see their child's progress in class or by any showcases for now we would like to post regular videos and pictures on social media so you can still see what they have achieved in class. Please amend your response on Class4kids if you would now like to give permission so that you can see. This is of course personal choice and there is no pressure to do so.

Thank you for your help, support & co-operation by making our school a happy & safe place to be in such an abnormal situation.
